RE: Dr. Robert M. Battle, M.D.

To Whom It May Concern:

Please accept this letter as my knowledge of and respect for Dr. Battle. I have been a patient of his at his Houston clinic several times over the last 15-20 years.

He and his staff have always acted in a professional medical manner in all their dealings with me and treatment of my health issues. I have been well informed about all tests, treatments, and medications used during the treatment process. Whenever I had questions, Dr. Battle willingly spent as much time as needed to give me full explanations.

I have always appreciated the caring concern and sincere persistence Dr. Battle displays for me and other patients I have talked to in his office over the years. He is devoted to using his conventional medical training combined with alternative medical skills to provide comprehensive care for all his patients.

It is a pleasure to let you know my feelings about Dr. Robert M. Battle.

Sincerely,
